BOOK FAIR - Until Nov. 22

The French Club is sponsoring another Usborne Book Fair. Catalogues are available from the teachers, and you can reach the on-line catalogue from the home page of the club web site at www.RaySchoolFrenchClub.org.

You can also find examples in the language section at the Ray School library. The club donated 8 language books (\$140) last June.

These books make great gifts, and help reinforce language skills. As before, a portion of proceeds will be donated to the library.
